Objective

Passionate Computer Science student with a strong foundation in web development and software engineering. Eager to contribute innovative projects and deliver impactful solutions through creativity and technical expertise.

Education

Galgotias University — B.Tech in Computer Science & Engineering (Expected Graduation: 2027)

DAV Public School(CBSE)—10th Grade – 93.8% (2021) | 12th Grade – 77% (2023)

Technical Skills

Languages: JavaScript, Java, Python, C, C++

Web Development: HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB (MERN Stack)

Databases: MySQL, MongoDB

Tools & Platforms: Git, GitHub, Devfolio, Postman, Docker

Other: DSA, API Development, UI/UX Design, Cybersecurity Basics

Projects

Mannsakha – AI-Powered Productivity Chatbot

Developed an AI chatbot for schedule management and stress reduction. Integrated workload balancing, task prioritization, and doctor recommendations.

Tech Stack: HTML, CSS, Javascript, React.js, Node.js, Express.js, MongoDB, GEMINI API

Experience

Web Development Intern – CodSoft (Jun 2024 – Jul 2024)

Developed a calculator app using HTML, CSS, and JavaScript.

Built a personal portfolio website.

Gained experience in front-end design and responsive development.

Social Media Marketing Intern – GEMA Education Pvt. Ltd. (Mar 2024 – May 2024)

Managed digital campaigns and created content using Photoshop.

Applied strategies to improve social reach and engagement.

Member – TechnoJam (Software Development Club) (Jan 2024 – Present)

Collaborated on web and software development projects.

Contributed to university event tech solutions.

Member – Cyber Cell (University Tech Club) (Jan 2024 – Present)

Participated in cybersecurity workshops and awareness programs.

Promoted online safety and security initiatives.

Effective Communication

Public Speaking & Anchoring: Hosted university events, delivering clear and engaging messages.

Collaboration: Contributed to team-based projects with effective communication.

Presentation Skills: Delivered clear technical presentations to diverse audiences.

Content Creation: Developed content with attention to detail to resonate with audiences.

Achievements & Certifications

Google for Developers Program – Active Member

Guvi Certifications in Python, Data Structures, and Java

Extracurricular Activities

Anchoring: Hosted and engaged audiences at university events.

Photoshoots: Assisted in photoshoots for university clubs and events.

Travelling: Explored new places and cultures, gaining valuable experiences.

Why Me?

Strong foundation in full-stack development and AI integration.

Proven teamwork and innovation in collaborative projects.

Passionate about delivering real-world solutions.

Analytical, adaptable thinker eager to learn and grow.
